

Call for Contributions

**2nd Focus Meeting 2022 on July 6th and 7th (presence meeting)
hosted by Nichia Europe GmbH, Kronberg, Germany**

“Light Generation and Processing in Displays and Lighting Applications”

Dear DFF member,

after 2 successful online meetings early March and early May we are now heading towards our first presence meeting after a quite long “online period”.

We plan for the 2nd Focus Meeting on Juli 6th and 7th 2022. Our host will be Nichia Europe GmbH. The meeting will take place as a presence meeting in Kronberg (close to Frankfurt) and is dedicated to “Light Generation and Processing in Displays and Lighting Applications”.

I’d like to encourage you **to contribute with a presentation** to share your thoughts and the actual state of R&D with us. Lively discussions and mutual understanding of knowledge and opportunities are the attractive rewards. Share your knowledge and find new partners.

Please send an abstract of your presentation (17 minutes for your talk and 3 minutes for Q&A) to hartmut.heske@displayforum.de , cc to anita.wedel@displayforum.de latest by June 1st, 2022

I’m looking forward to your proposals.

Hartmut Heske
