

**Call for Contributions
for
System Integration Platform and Working Group Meeting
@ Plansee SE,
Metallwerk-Plansee-Str. 71
A-6600 Reutte
on July 23rd/24th , 2019**

Dear DFF- members and Display-friends,

as you already know the next SI and WGM will be held at Plansee SE on July 23rd and 24th, 2019. With this E-mail we'd like to inform you about the topics of the event. Please let us know if you want to give a presentation on the topics listed below.

Our focus shall be on

Micro LEDs: Materials, Processes, Integration and Applications

The following topics will be discussed at the meeting:

- μ LEDs different technical approaches
 - o Substrate Handling
 - o Sputtering and other processes
- Integration of μ LEDs in different application
 - o Smart surfaces and freeform
 - o First applications
- Market overview and rumors

Since the number of participants and the number of speakers is limited, the registration is based on the principle "first come, first serve".

Please let us know that you are interested in presenting until July 1st - or earlier.

Contact: Dr. Ulrich Rütten
