

## INVITATION

**1<sup>st</sup> Summit Meeting 2022 on May 4<sup>th</sup> hosted by  
KYOCERA Automotive and Industrial Solutions GmbH  
“Technologies for Displays - new User Experiences”**

Dear DFF members,

due to the Corona restrictions still our 1<sup>st</sup> Summit Meeting hosted by KYOCERA Automotive and Industrial Solutions GmbH takes place as virtual meeting via MS Teams on May 4<sup>th</sup>, 2022.

**We are very happy that also this meeting comes with experts and scientists, who help us to understand the challenges of system integration for demanding applications.**

We'd like to highlight that the **meeting will again include the topic PFAS restrictions in the EU.**

The meeting will start at 1:00 p.m. (CEST) with a duration of about 2 1/2 hours.

The meeting starts in the other time zones accordingly at 4:00 a.m. (PDT/US West Coast), 7:00 am (EDT/US East Coast), 7:00 p.m. (CST/Taiwan) and 8:00 p.m. (JST/Japan).

Presentation material shall be uploaded to the members area of our website after the meeting provided it is released by the presenter. This shall help you to pick up information later.

**Deadline for registration: April 28<sup>th</sup>, 2022**

**Mail contact for registration: [anita.wedel@displayforum.de](mailto:anita.wedel@displayforum.de)**

**I will attend the meeting.**

**!!! Registered participants will receive the link for joining the meeting on May 3<sup>rd</sup>, 2022!!!**

The meeting time is a bit demanding especially for our members in North America and Asia. However, we hope you can manage, and we look forward to your registration.

**Please note that the event is subject to a fee for non-members of the DFF.**
