

INVITATION

2nd Summit Meeting on November 24th, 2022 hosted by Innowep GmbH

“Robustness from Surface to Interior - Display Design, Handling and Testing”

Due to again increasing Corona incident rates here in Germany also our 2nd Summit Meeting hosted by Innowep GmbH takes place as virtual meeting via MS Teams on November 24th, 2022.

Please find the program of the meeting in the attachment.

We are very happy that also this meeting comes with experts and scientists, who help us to understand the challenges of robustness of displays in the large variety of applications.

We'd like to highlight that the **meeting will again include the topic PFAS restrictions in the EU.**

The meeting will start at 1:00 p.m. (CET) with a duration of about 2 3/4 hours.

It starts in the other time zones accordingly at 4:00 a.m. (PST/US West Coast), 7:00 a.m. (EST/US East Coast), 8:00 p.m. (CST/Taiwan) and 9:00 p.m. (JST/Japan).

Presentation material shall be uploaded to the members area of our website after the meeting provided it is released by the presenter. This shall help you to pick up information later.

Deadline for registration: November 22nd, 2022

Mail contact for registration: anita.wedel@displayforum.de

I will attend the meeting.

Registered participants will then receive the MS Teams invitation link by e-mail per November 23rd.

The meeting time is a bit demanding especially for our members in North America and Asia. However, we hope you can manage, and we look forward to your registration.

Please note that the event is subject to a fee for non-members of the DFF.
