

## INVITATION

**1<sup>st</sup> Focus Meeting on February 16<sup>th</sup>, 2023  
hosted by Konica Minolta Sensing Europe B.V.**

### **“Color, Brightness and More - Generation and Verification“**

The first Focus Meeting in 2023 hosted by Konica Minolta Sensing Europe B.V. takes place as virtual meeting via MS Teams on February 16<sup>th</sup>.

Please find the program of the meeting in the attachment.

**We are very happy that also this meeting comes with experts and scientists, who help us to understand the challenges of robustness of displays in the large variety of applications.**

**The meeting will start at 1:00 p.m. (CET) with a duration of about 2 1/2 hours.**

It starts in the other time zones accordingly at 4:00 a.m. (PST/US West Coast), 7:00 a.m. (EST/US East Coast), 8:00 p.m. (CST/Taiwan) and 9:00 p.m. (JST/Japan).

Presentation material shall be uploaded to the members area of our website after the meeting provided it is released by the presenter. This shall help you to pick up information later.

**Deadline for registration: February 14<sup>th</sup>, 2023**

**Mail contact for registration: [anita.wedel@displayforum.de](mailto:anita.wedel@displayforum.de)**

**I will attend the meeting.**

**Registered participants will then receive the MS Teams invitation link by e-mail per February 15<sup>th</sup>.**

The meeting time is a bit demanding especially for our members in North America and Asia. However, we hope you can manage, and we look forward to your registration.

**Please note that the event is subject to a fee for non-members of the DFF.**
