

INVITATION

2nd Focus Meeting on November 25th, 2020 hosted by Innowep GmbH

“The Mighty Touch Makes a Great Deal on Display Quality - Full-scale Display Durability Tests under Real Life Simulation”

Dear DFF members and Display friends,

due to the Corona restrictions also our 2nd Focus Meeting hosted by Innowep GmbH will take place on November 25th, 2020 as virtual meeting via MS Teams. Please find the program of the meeting in the attachment.

We are very happy that one more time this meeting comes with experts and scientists, who help us to understand the potential for improvements with materials and technologies. We have scheduled two meetings at the same day, one in the German morning, another in our afternoon.

That means, the "early" one starts at 10:00 a.m. (CET) for our attendees from Europe and Asia. The later one starts at 04:00 p.m. (CET) for our attendees from Europe, Canada and the USA.

Both of them shall have the same speakers and the same presentations. All the presentations shall be uploaded to the members area of our website prior to the meeting time. This shall help you to follow the meeting in case of technical issues.

Please let us know which session you would like to attend until November 23rd, 2020. Please tick the appropriate and send your answer to me: secretary@displayforum.de

I will attend the session starting 10:00 a.m. (CET)

I will attend the session starting 04:00 p.m. (CET)

Registered participants will receive the link to attend the meeting in the on November 24th, 2020.

Following the talks, **we set up so-called coffee tables**, which offer the opportunity to exchange ideas on specific topics. The links for joining the coffee tables you will receive on November 24th, 2020.

I hope you are fine in this difficult time and look forward to your registration.

Kind regards, Anita Wedel
