

## INVITATION

**1<sup>st</sup> DFF Focus Meeting 2021 on February 22<sup>nd</sup> hosted by BenQ Materials Corp.**

**“Advanced Functional film application in next generation automotive or other demanding applications”**

Due to the Corona restrictions also our 1<sup>st</sup> Focus Meeting in 2021 hosted by BenQ Materials Corp. takes place as virtual meeting via MS Teams on February 22<sup>nd</sup>.

We are very happy that also this meeting comes with experts and scientists, who help us to understand the potential for improvements through functional films for demanding applications.

**Due to the location of our host BenQ Materials Corp. in Taiwan, we plan to go with just one meeting, scheduled to start at 1:00 p.m. (CET) with a duration of about 3 hours.**

**The meeting starts in the various time zones accordingly at 4:00 a.m. (PST/US West Coast), 7:00 a.m. (EST/US East Coast), 8:00 p.m. (CST/Taiwan) and 9:00 p.m. (JST/Japan).**

All released presentations shall be uploaded to the members area of our website prior to the meeting time. This shall help you to follow the meeting in case of technical issues.

**Please send your registration by February 18<sup>th</sup> to: [anita.wedel@displayforum.de](mailto:anita.wedel@displayforum.de)**

**I will attend the meeting**

**Registered participants will receive the link for joining the meeting on February 19<sup>th</sup>.**

The meeting time is a bit demanding especially for our members in North America and Asia. However we hope you can manage and we look forward to your registration.

Kind regards and hope to see you soon.
