

**2<sup>nd</sup> DFF Focus Meeting 2021 on July 1<sup>st</sup> hosted by Henkel AG & Co. KGaA**

**“Materials and Processes for Automotive and other High Performance Displays”**

### **INVITATION**

Dear DFF members and Display friends,

due to the Corona restrictions also our 2<sup>nd</sup> Focus Meeting in 2021 hosted by Henkel AG & Co. KGaA takes again place as virtual meeting via MS Teams on July 1<sup>st</sup>.

We are very happy that also this meeting comes with experts and scientists, who help us to understand the potential for improvements through functional films for demanding applications.

Additional to company and technical presentations we'd like to emphasize the talk of our 1<sup>st</sup> Chairman Dr. Armin Wedel regarding a first and tangible picture about our idea for a '**Virtual Platform DFF**'. We'd highly appreciate your feedback about this idea and will collect it in a timely manner after the meeting.

**After checking with our members in the Americas, we plan to go with just one meeting, scheduled to start at 1:00 p.m. (CEST) with a duration of about 3 hours.**

**The meeting starts in the various time zones accordingly at 4:00 a.m. (PDT/US West Coast), 7:00 a.m. (EDT/US East Coast), 7:00 p.m. (CST/Taiwan) and 8:00 p.m. (JST/Japan).**

All released presentations shall be uploaded to the members area of our website prior to the meeting time. This shall help you to follow the meeting in case of technical issues.

**Please send your registration by June 28<sup>th</sup> to our secretary: [anita.wedel@displayforum.de](mailto:anita.wedel@displayforum.de)**

I will attend the meeting

**!!! Registered participants will receive the [link for joining the meeting on June 30<sup>th</sup>](#) !!!**

With kind regards and hope to see you soon.

Hartmut Heske  
General Manager
