

INVITATION

1st Focus Meeting 2022 on March 3rd hosted by Elektrosil GmbH, Hamburg, Germany

“System Integration in industrial and automotive Applications”

Due to the Corona restrictions still our 1st Focus Meeting hosted by Elektrosil GmbH takes place as virtual meeting via MS Teams on March 3rd, 2022.

We are very happy that also this meeting comes with experts and scientists, who help us to understand the challenges of system integration for demanding applications.

We'd like to highlight that the **meeting will include presentation and discussion regarding upcoming PFAS restrictions in the EU.**

Again, we plan to go with just one meeting, scheduled to start at 1:00 p.m. (CET) with a duration of about 2 1/2 hours.

The meeting starts in the various time zones accordingly at 4:00 a.m. (PST/US West Coast), 7:00 am (EST/US East Coast), 8:00 p.m. (CST/Taiwan) and 9:00 p.m. (JST/Japan).

All released presentations shall be uploaded to the members area of our website after the meeting. This shall help you to pick up information later.

Deadline for registration: March 1st, 2022

Mail contact for registration: anita.wedel@displayforum.de

I will attend the meeting.

!!! Registered participants will receive the link for joining the meeting on March 2nd, 2022!!!

The meeting time is a bit demanding especially for our members in North America and Asia. However, we hope you can manage, and we look forward to your registration.

Kind regards and hope to see you soon.
