### ABOUT US

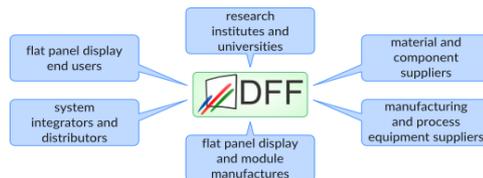

#### WHO WE ARE

We are an international organization with companies and institutions from all parts of the flat panel display community:

- research institutes
- material and component suppliers
- manufacturing and process equipment suppliers
- flat panel display and module manufactures
- system integrators and distributors
- flat panel display end users

#### WHAT WE DO

- Plenary meetings (WGM) on selected display topics at member companies
- Dedicated Platforms:
  - Automotive Platform - Working Group "Displays"
  - Platform "System Integration"
- Conferences and trade shows
- Newsletter
- Networking and information

#### VISION AND MISSION

We mutually support ourselves towards a leading position in the industry to expand our business both technologically and commercially.

#### The vision of DFF:

The **vision** of DFF is to enable its members to attain and sustain a leading position in flat panel display (FPD) industries. DFF catalyses and expands a network of excellence across the entire value chain, leading to new business opportunities.

#### DFF mission contains five elements:

- DFF provides a unique networking platform of leading companies driving the FPD industry
- DFF provides a unique source of information for FPD market participants

# New Homepage: [www.displayforum.de](http://www.displayforum.de)

- Corporate design continues
- Responsive web design = menus are adapted to mobile devices
- Well structured
- News and events in chronological order
- Data transfer from the "old" homepage (almost) completed

# New Homepage: [www.displayforum.de](http://www.displayforum.de)

New regulation for access to the "members area" in accordance with the applicable privacy policy:

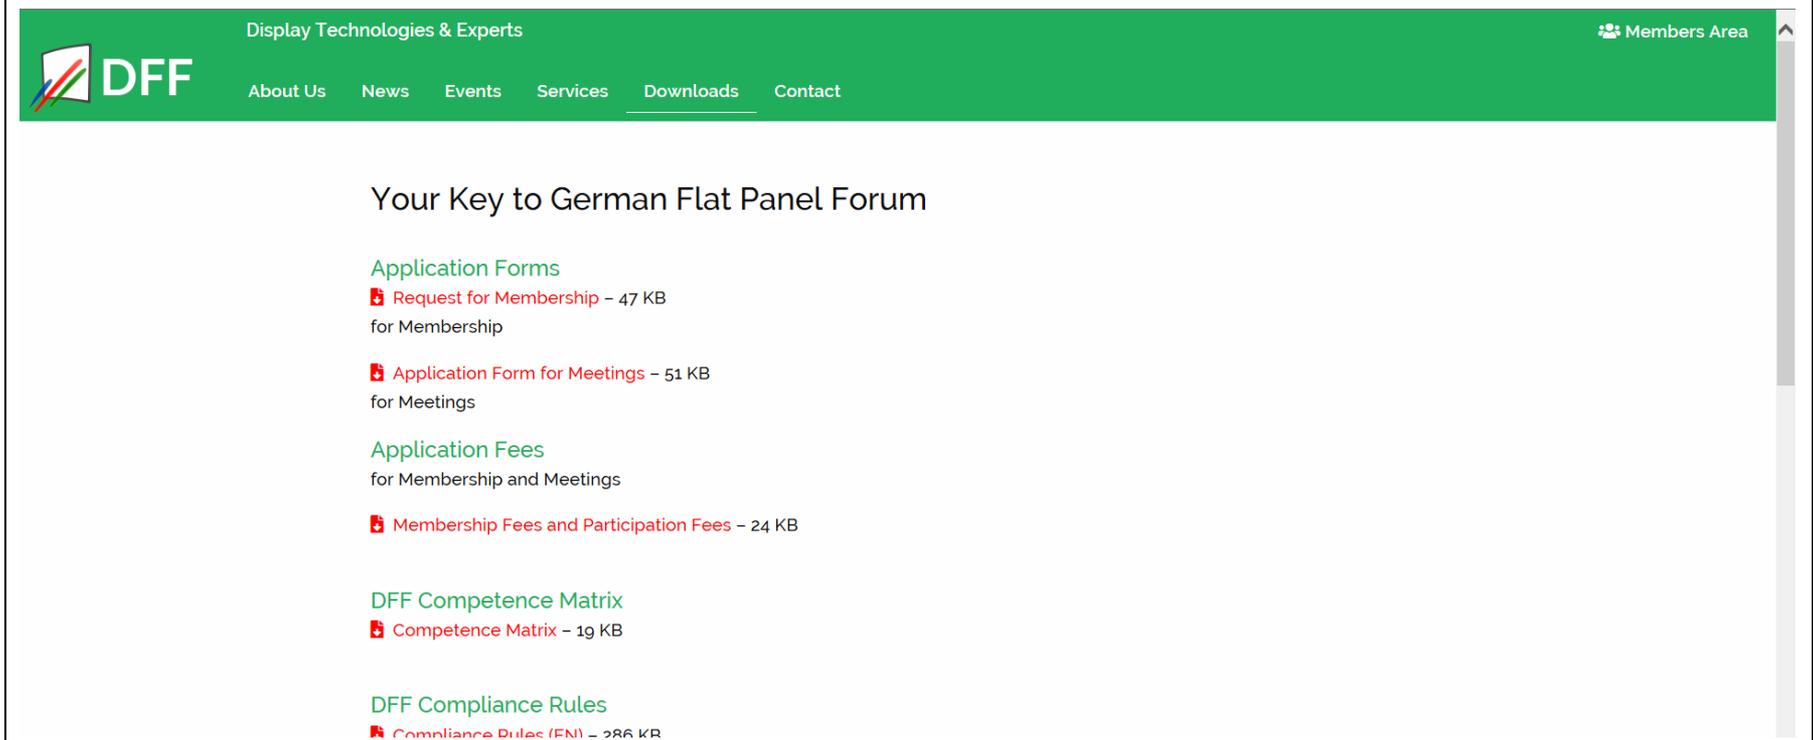

The access data of each **company** are valid until the end of 2018. Members have like before full access to the presentations.

In 2019 each **user** gets his own account and must set his own password. If the password has been forgotten, the user can create a new password (link).

A screenshot of the DFF website homepage. The top navigation bar is green and contains the DFF logo, the text 'Display Technologies &amp; Experts', and menu items: 'About Us', 'News', 'Events', 'Services', 'Downloads', and 'Contact'. On the right side of the navigation bar, there is a 'Members Area' link with a user icon, which is circled in black. The main content area is white and displays a list of events. The first event is 'Automotive Displays' from July 11/12, 2018, with a list of downloadable files including 'Invitation and Program (Automotive Displays) - 877 KB', 'Group Photo - 609 KB', 'List of Participants - 249 KB', and several presentations. The second event is 'SI Platform &amp; WGM' from June 13/14, 2018, with files like 'Invitation and Program (SI Platform &amp; WGM) - 892 KB', 'Group Photo Sanssouci - 396 KB', and 'Group Photo WGM - 443 KB'. A vertical scrollbar is visible on the right side of the page.

## New Download Area

- New DFF Competence Matrix
- New DFF Flyer
- New Application Forms

A screenshot of the DFF website homepage. The top navigation bar is green and contains the DFF logo on the left, the text 'Display Technologies & Experts' in the center, and a 'Members Area' link on the right. Below the navigation bar, the main content area has a white background. It features a heading 'Your Key to German Flat Panel Forum' followed by several download links, each with a red document icon and a file size: 'Application Forms' (47 KB), 'Application Form for Meetings' (51 KB), 'Application Fees' (24 KB), 'DFF Competence Matrix' (19 KB), and 'DFF Compliance Rules' (286 KB). A vertical scrollbar is visible on the right side of the page.

## Moving pictures in the header

### Flat Panel Displays

Flat Panel Displays (FPDs) are widely used for television, mobile devices, notebooks, monitors, automotive, as well as avionic, medical, e-signage and industrial applications. The increasing usage and adaption of Flat Panel Displays by various sectors in our daily life will further drive the market and the growth of the display industry.

**Have fun getting to know the new  
homepage !**
